CONTENTS

Vol. 81, No. 1, October 25, 1963

PAGE

Sato, T., Watanabe, T., Saito, Y. and **Seki, K.** Prognosis of Banti's Syndrome Viewed from Histopathology and Functions of the Liver 1

Saito, T., Takahashi, M., Suda, Y. and **Watanabe, T.** Effect of Splenectomy on Histopathology and Functions of the Liver in Banti's Syndrome 17

Wada, Y., Tada, K., Minagawa, A., Yoshida, T., Morikawa, T. and **Okamura, T.** Idiopathic Hypervalinemia Probably a New Entity of Inborn Error of Valine Metabolism 46

Shibota, Y., Nakagawa, Y., Koizumi, A. and **Kagawa, Y.** Ewing's Sarcoma in Japan 56

Maki, M. and **Takano, A.** A Case of Menorrhage Combined with Hypofibrinogenemia 65

Ouchi, K. Pathology of Follicular Thyroid Adenoma Regarding Malignant and Regressive Changes 70

Kanno, T. Vagal and Sympathetic Effects on Membrane Potential of Atrio-ventricular Conducting Fibers of Toads 85

Hashimoto, K., Matsuno, M., Yoshizawa, Z. and **Shibata, T.** A Dextrorotatory Polysaccharide of Very High Anticoagulant Activity Newly Isolated from the Whale's Lung and Intestine 93

Iwatsuki, K., Yusa, T. and **Inagaki, M.** Evaluation of a New Muscle Relaxant Diallyl-nor-toxiferine (Ro 4-3816) 96

Vol. 81, No. 2, November 25, 1963

Yamagata, S. and **Ohneda, A.** Histological Changes in Normal and Alloxanized Rats with Prolonged Administration of Sulfonylureas 107

Sato, T., Kakizaki, G., Abe, Y. and **Uchiyama, S.** Factors Influencing Portal Pressure in Banti's Syndrome 122

Koyanagi, T. and **Tatebayashi, T.** Effect of Vitamin A on the Uptake by Rats of Sulfur Administered as Sulfate or Methionine 138

Muto, M., Majima, S., Yoshida, K., Karube, K., Teshima, T. and **Yamaguchi, I.** Pathologic Aspects of Stomach Cancer in 1988 Surgical Cases 143

Muto, M., Majima, S., Yoshida, K., Karube, K., Teshima, T. and **Yamaguchi, I.** Clinical Aspects of Stomach Cancer in 1988 Surgical Cases 162
Maki, M. Supplementary Note on the Euglobulin Fraction Method as a Tool of Clinical Plasmin Research 179
Maki, M. and **Kikuchi, T.** Correlation of Antiplasmin to Antitrypsin and Antichymotrypsin in Human Plasma 188
Tada, K., Shibuya, T. and **Akabane, J.** Glycolysis and Lipogenesis in the Livers from Children with Type I of Glycogen Storage Disease .. 198

Vol. 81, No. 3, December 25, 1963

Sato, S., Tateyama, M., Sasamori, C., Kobayashi, S., Chiba, Y. and **Takeda, Y.** On the Intermediate Metabolism of Carbohydrates in the Brain of Hypertensive and Postapoplectic Patients 207
Sato, S., Tateyama, M., Sasamori, C., Kobayashi, S., Chiba, Y. and **Takeda, Y.** On the Intermediate Metabolism of Carbohydrates in the Brain of Healthy Persons 215
Nagasawa, J. The Effects of Temperature and Some Drugs on the Ionic Movements in the Smooth Muscle of Guinea-pig Taenia Coli 222
Suzuki, H. and **Tukahara, Y.** A Heated Thermistor Method for Measuring Local Blood Flow in the Brain 238
Yoshinaga, K., Abe, K., Miwa, I., Aida, M., Maebashi, M. and **Wada, Y.** Assay of Urinary Kinin 246
Kato, M. Accurate Measurement of Digital Arterial Pressure 254
Kojima, M., Kikuta, K. and **Dazai, A.** Tumor-Forming Leukemia 256
Muto, M., Majima, S., Yoshida, K., Karube, K., Teshima, T. and **Yamaguchi, I.** Results of Surgery in 1988 Surgical Cases of Stomach Cancer 267
Muto, M., Majima, S., Yoshida, K., Karube, K., Teshima, T. and **Yamaguchi, I.** Factors Influencing the End Results of Gastrectomy for Stomach Cancer 279

Vol. 81, No. 4, January 25, 1964

Sato, H., Satoh, H. and **Fujii, K.** Acquired Resistance against the Growth of Yoshida Sarcoma Cells in Donryu Rats 297
Omori, Y. The Relation between the Reticuloendothelial System and the Spread of Cancer, Especially of Gastric Carcinoma 315
Takikawa, K. Cytological Study of the Reticuloendothelial System from

65 166A C 21

the Optical Microscopic Standpoint 322
Yamori, T. and **Mori, Y.** Electron Microscopic Observation of the Reticuloendothelial System 330
Onoe, T. and **Tsukada, H.** Fine Structures of the Cells of the Reticuloendothelial System and Their Correlation to the Function 340
Kajikawa, K. Electron Microscopic Studies on Histiocytes 350
Suda, E. Treatment of Epidemic Kerato-conjunctivitis with Local Instillation of Convalescent Serum 366
